Cotton touch

De la douceur et du confort, les deux atouts maîtres de Cotton Touch.
Ce papier intissé à l'effet cotonneux et nuageux, se veut un imprimé tout en poésie aérienne : les nuages semblent s'envoler devant vous, à la fois si immatériels et si joliment présents. Ajouter un peu de ciel à vos murs avec ses 57 couleurs pour leur faire gagner en légèreté et en élégance !

*Softness and comfort, the two main qualities of Cotton Touch.
This non-woven wallpaper with a cotton and cloud-like feel, is an airy and poetic print: the clouds seem to float away in front of you, at once so immaterial and so prettily present. Add a touch of the sky to your walls with its 57 colours to make them lighter and more elegant.*
