DÉCORS

MOUVEMENTS

Couleurs et formes en mouvement sont au cœur de cette collection de décors.

Ces motifs originaux sont inspirés des plus belles œuvres de peinture abstraite. Ils mettent à l'honneur les figures organiques, la grandeur des motifs et les jeux de textures.

Une puissance créatrice émane de chaque dessin, empruntant à l'artiste sa liberté de ton pour façonner et colorer le monde à sa façon. Chacune des compositions interpelle, sollicite les sens et insuffle une remarquable énergie.

Colours and shapes in motion are at the heart of this decorative collection.

These original patterns have been inspired by the most beautiful abstract works of art. They showcase organic forms, large patterns and combined textures.

A creative strength comes from each design, borrowing from the artist's tonal freedom to create and colour the world in their own style. Each of the compositions challenges the senses and exudes remarkable energy.
