RALPH LAUREN

WALLPAPER

Ralph Lauren Wallpaper possesses the enduring beauty and exceptional quality that Ralph Lauren has come to represent. Inspiration is drawn from the faded romantic florals of English country estates and the sleek urban aesthetic of a city loft to the classic checks of American country. Rich in detail and printed in the finest mills, these collections capture the luxurious, classic lifestyles of the world of Ralph Lauren.

“Whimsical nautical patterns are paired with archival florals and classic stripes for a sophisticated expression of maritime life. The collection is presented in palettes that range from elegant whites and airy creams to rugged bracing indigos drawn from the rocky coastline.”
