Emil & Hugo Rasch sind die visionären Ur-Väter des Familienunternehmens und der Tapetenproduktion am Standort in Bramsche. Als Söhne des Tapeten-Handdruckers Hermann Rasch begründeten die Brüder 1897 eine der bekanntesten und erfolgreichsten Tapetenfabriken der industriellen Geschichte.

Emil & Hugo Rasch were the visionary founding fathers of this family company and the creative minds behind wallcovering production at the Bramsche site. In 1897 the brothers, sons of the wallcovering hand printer Hermann Rasch, founded what would become one of the most famous and successful wallcovering factories in industrial history.

Emil & Hugo Rasch sont les pères visionnaires à l'origine de l'entreprise familiale et les initiateurs de la production de papier peint sur le site de Bramsche. Fils de l'imprimeur de papiers peints Hermann Rasch, les deux frères fondèrent en 1897 l'une des plus célèbres et des plus reconnues usines de papier peint de l'histoire industrielle.

...ten ein kostbares Einrichtungsprodukt und mit den Leimdruckverfahren wurden kunstvoll nach der Firmengründung gelang es das europäische Ausland und nach Übersee verfügte das Unternehmen über Vertreter in Kopenhagen. Die Designs dieser Zeit zeigten den Geschmack: Louis Seize, Neorenaissance, helle Streublumen, Marmor und Kachelmuster. In den letzten Jahrzehnten des Jahrhunderts wurden auch neue Designs präsentiert, die die zeit der Tapetenproduktion in die moderne Designproduktion überführten. Die individuelle Tapetenproduktion der jüngeren Generation ist heute ein wichtiger Bestandteil des Geschäfts.

At that time, wallcoverings were a prized product for home furnishings. With the help of the surface printing technique used in those days, the company was soon producing unique pieces with elaborate and artistic designs. Not long after founding the company, the Rasch brothers began exporting to other European countries and even further afield. By 1901, the company had already set up branches in Paris, Amsterdam and Copenhagen. The designs reflected the taste of the time: Louis XVI style, Neo-Renaissance look, many fabric imitations, pale, scattered flowers, marble in various gradations of colour, and tile patterns. At the start of the century, Art Nouveau also made its appearance in wallcoverings with an explosion of new patterns. Today, the 'Emil & Hugo' collections stand in the tradition of this creative heyday of wallcovering art. Remaining true to the exquisite and artistic style of the company's creative roots, the great-grandchildren of the founding generation are now marketing the aesthetically most outstanding collections by the company's international team of designers under the Emil & Hugo brand. Pairing superb design with high-quality, artisanal production, Emil & Hugo offers distinctive, attractive wallcoverings that give you the creative freedom to style your living spaces with an individual touch.

À cette époque, le papier peint était un article précieux d'intérieur, créé grâce à un procédé d'impression traditionnel qui produisait des pièces artistiques uniques. Peu après la fondation de la société, les frères Rasch lancèrent les exportations en Europe et outre-mer. Dès 1901, l'entreprise avait des bureaux de représentation à Paris, Amsterdam et Copenhague. Les dessins de cette époque reflètent entièrement le goût historique, notamment les styles Louis XVI et Néo-renaissance, de nombreuses imitations d'étoffes, des millefleurs claires, du marbre en différentes nuances et des motifs de carrelage. Au début du siècle, l'Art Nouveau s'imposa également dans le papier peint grâce à une multitude de nouveaux motifs. C'est avec cette époque illustre de l'art du papier peint que les collections «Emil & Hugo» souhaitent renouer. Ce design raffiné associé à une production de papiers peints de haute qualité, quasi artisanale, vous propose des revêtements muraux attrayants et uniques en leur genre pour la décoration individuelle de vos espaces intérieurs. Même les arrière-petits-enfants de la génération des fondateurs s'identifient avec cette tradition et commercialisent sous la marque Emil & Hugo les collections les plus extraordinaires au niveau esthétique de l'équipe de designers internationaux.
