GITANE

Gitane charms with its exuberance! It takes you on a world trip from Tibet to Zimbabwe and to the beautiful Italian flower fields. It plays with eclectic scenes and patterns, which gives it an also inspiring appearance. The variety in materials and the colour palette contribute to a striking whole. Maximalism has no rules – nothing is too crazy. And that is exactly what makes this style so much fun. It is also an extension of your personality. A wallcovering with character and impact! That is Gitane!
