Fiber

Notre revêtement vinyle Fiber aux 42 couleurs enveloppe murs et cloisons d'une écorce végétale fine et élégante. Ne vous fiez pas à son aspect faussement uni - il s'orne de lignes irrégulières, lissées ou mates, au rythme envoûtant et à la poésie singulière.

Ce jeu de textures virtuose confère à Fiber une aura chaleureuse, toute en douceur et subtilité.

Our vinyl wallcovering Fiber of 42 colours covers walls and screens with a fine and elegant vegetable bark. Do not be misled by its deceptively plain appearance - it is covered with irregular lines, iridescent or matte, with a bewitching rhythm and unique poetry.

This masterful texture gives Fiber a subtle, warm and soft aura.
