LEATHERS

Casadeo Textures vous fait découvrir pour son deuxième opus la sensualité du CUIR. Avec Leathers, pénétrez dans un atelier de maroquinerie et convoquez tous vos sens - enivrez-vous des effluves de cuir, caressez les patchworks, effet peau de poulain, ressentez la douceur du daim et découvrez la préciosité du galuchat.

Enrobez vos murs d'un voile sauvage !

For its second instalment, Casadeo TEXTURES invites you to explore the richness of LEATHER. With this collection, step inside a leather goods workshop and summon all your senses - appreciate the scents of leather, caress the patchworks with foal skin effects, feel the softness of suede and discover the preciousness of the galuchat.

Cover your walls with an untamed lo
