Spongeable

When hanging panels we recommend that you determine where you want to place the panel on your wall and then mark the panel to size either at the top/bottom or both. Please take care to mark multiple panels at the same position to ensure an accurate side-to-side match of the design.

This section is: **QUALITY L**

Please remember shades may vary between this sample and current stock.

PCL 7035/01 Atlantis Aube

Full Panel Width 150cm
50cm 50cm 50cm
