Omexco is a Belgian brand of fine wallcoverings, founded in 1976. In our atelier close to Brussels, we design and manufacture exquisite wall decorations to dress your rooms in tactile beauty. Printed, woven or natural, each one of our creations is custom cut to bring poetry to your space. Reducing our environmental footprint is at the heart of every decision we make, since the seventies. We don't cover your walls, we make them stand out.

## JOY

*Be inspired by our vibrant creativity*

An explosion of colour. A journey to exuberance. Feel dazzled by our bold graphics. Feel the joy.

This collection conjures a lightness of being and a flash of zest. Our stand-out designs and playful colours bring you a feeling of happiness.

Unleash your creative energy. Paint for pleasure. Colour with abandon. Splashes, strokes and shapes flow from the paintbrush.

Printed on 100% recycled fibres, reflecting our long tradition of sustainable sourcing of materials, the JOY collection goes even further in our ecological considerations.

The collection is steeped in environmental consciousness. Designed to inspire. Daring to delight.

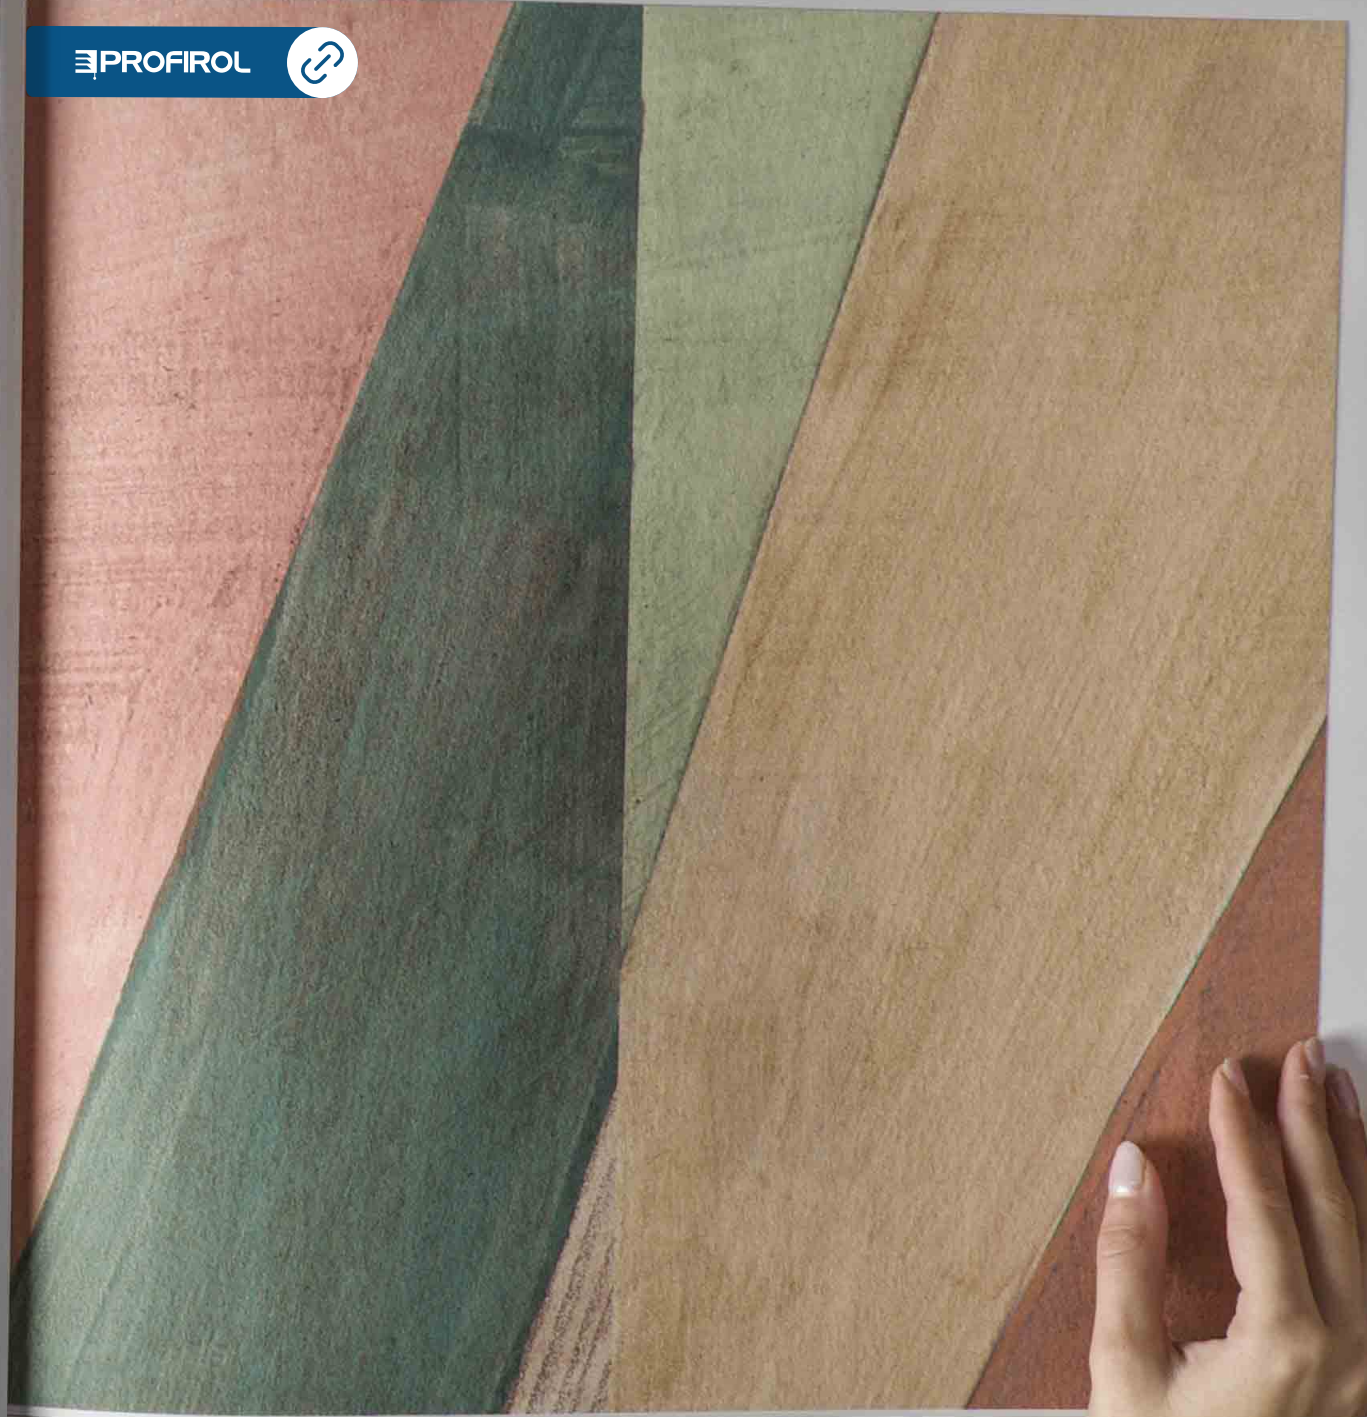

Your interior will smile.

« Joy » is our latest step  
towards a more sustainable  
future

Our creative journey starts with thinking carefully about what materials and colours your walls need. We believe that aesthetics and sustainability reinforce one another. This is why we keep pushing our boundaries and are introducing a new material for our JOY collection, which is made of 100% recycled fibres. A greener, yet colourful solution for your space.
